

PRESS RELEASE

POLICY FOR THE DISCLOSURE OF THE ADDITIONAL PERIODIC FINANCIAL INFORMATION

Luxembourg, January 30th 2017 - Further to the issuance of the Italian stock exchange notice no. 83 of the 2nd January 2017 d'Amico International Shipping S.A. - a leading international marine transportation company operating in the product tanker market – announces today its policy for the disclosure of the periodic financial information other than those contained in the annual and half-yearly financial statements.

Following the amendments of the 2004/109/UE Transparency Directive introduced by the 2013/50/UE Directive, the disclosure of those additional periodic financial information is to be considered discretionary for those issuers that are not listed on the STAR segment of the Italian stock exchange market. On the other hand, as clarified by the Italian stock exchange notice no. 7587 of the 21st of April 2016, the disclosure of the interim management reports, continues to be one of the conditions precedent for the listing of an issuer on the STAR segment as provided for by article 2.2.3, p. 3 of the Italian stock exchange regulation.

As already disclosed with the press release dated 9 November 2016, the Company, which is listed on the STAR segment, will therefore continue to disclose the interim management reports on the dates provided by its 2017 Financial Calendar and with the same contents as disclosed in the past, therefore substantially in compliance with the provisions of art. 154-ter, p.5 of Italian Legislative Decree no. 58 of 24 February 1998 which requires that the interim management reports shall provide: a) a general description of the financial position and economic performance of the issuer and its subsidiaries in the reference period and b) an illustration of significant events and transactions during the reference period and their impact on the financial position of the issuer and its subsidiaries.

The Company takes this opportunity to correct a typo error in the 9th November 2016 press release, in its English version, in relation to the date of the annual general meeting, which will take place, as provided by art. 19 of the Articles of Associations in force, on the 19th of April 2017 and not on the 9th of April 2017.

From today, this press release is available on the Company's website, disclosed by the SDIR/NIS system and stored at the OAM.
