Paolo d'Amico, Chairman and Chief Executive Officer of d'Amico International Shipping, stated:

"I am very pleased to announce that GLENDA International Shipping, our 50/50 JV with the Glencore Group, just sold this 2010-built MR vessel, generating a positive net cash effect of about US\$ 18.8 million for this company, since we had already reimbursed the vessel's bank loan back in October 2019. This deal, in addition to the one concluded at the end of last year for a similar vessel, is also perfectly in line with our long-term objective of controlling a very modern and young product tanker fleet."
